

Blackberry Street

Benny Sings

Put on a raincoat
Say, I love you so
Baby, I'm at my best
I'm ready to go
Come on, just put on a raincoat
Say, I love you so
Baby, we're back on Blackberry street, yeah

This is it all, I wanna do
So come and get me
Can't you see? I don't wanna deal with my lost paradise, yeah
Back on Blackberry street, yeah

This is it, where I wanna be
Yes, you'll be staying here with me
And you know what's on my mind
Just give it a try, yeah
Back on Blackberry street, yeah

Put on a raincoat
Say, I love you so
Baby, I'm at my best
I'm ready to go
Come on, just put on a raincoat
Say, I love you so
Baby, I'm at my best
I'm ready to go

Come on, just put on a raincoat
Say, I love you so
Baby, I'm at my best
I'm ready to go
Come on, just put on a raincoat
Say, I love you so
Baby, we're back on Blackberry street, yeah

Let me tell you what love's about
A kind of feeling that we need, that we'll never say goodbye
Dance through the night, yeah
Back on Blackberry street, yeah

Guess I'm learning what life's about
It's kind of easy if you see so until the end of time
We built paradise, yeah
Back on Blackberry street
We're back on Blackberry street, yeah
Got all I need, yeah
We're back on Blackberry street, yeah

Do you like it here?
Yes, I like it here
Oh, like it here
Yes, I love it here

Back on the streets with you
'Cause all I need is you
Back on the streets with you

'Cause all I need is you

Put on a raincoat
Say, I love you so
Baby, I'm at my best
I'm ready to go
Come on, just put on a raincoat
Say, I love you so
Baby, I'm at my best
I'm ready to go

Come on, just put on a raincoat
Say, I love you so
Baby, I'm at my best
I'm ready to go
Come on, just put on a raincoat
Say, I love you so
Baby, we're back on Blackberry street
