Benny Sings

I, I want you back love
I, I want you back love
I, I want you back love
I, I want you back love

I, I am a strong man
I, I am a loser
I, I will do anything
I, I can't give up now

I, I want you back love
I, I want you back love
I, I want you back love
I, I want you back love

I, I want you back love
I, I want you back love
I, I want you back love
I, I want you back love

I, I am a strong man
I, I am a loser
I, I will do anything
I, I can't give up now
