

## Don't Look

Benny Sings

Darling, when I look into your eyes  
(Look into your eyes, yeah)  
You're bringing me back to paradise  
(Paradise, yeah)  
But I can't resist to take a bite  
(To take a bite, yeah)  
So, baby, just don't look at me tonight

Darling, when I look into your eyes  
(Look into your eyes, yeah)  
You're bringing me back to paradise  
(Paradise, yeah)  
But I can't resist to take a bite  
(To take a bite, yeah)  
So, baby, just don't look at me tonight
