

# Nobody's Fault

Benny Sings

Hey, it's nobody's fault  
We're getting old  
And time keeps pushing on  
To the end of the road (My darling)  
Hey, what can you say?  
It's better this way  
It's time to sing your song  
So I'm letting you go

Wait 'til it's over (Wait 'til it's over)  
Wait 'til it's done (Wait 'til it's done, done, done)  
No more talking (No more talking)  
Nowhere to run (Nowhere to run)  
Wait 'til it's over (Wait 'til it's over)  
Wait 'til it's gone (Wait 'til it's gone, gone, gone)  
No more talking (No more talking)  
It's all said and done (Said and done)

Hey, I understand  
It's not the end  
This life's not what you wanted  
And we all got to grow, my darling  
Hey, it's nobody's fault  
We're getting old  
And time keeps pushing on  
To the end of the road (My darling)

Wait 'til it's over (Wait 'til it's over)  
Wait 'til it's done (Wait 'til it's done, done, done)  
No more talking (No more talking)  
Nowhere to run (Got nowhere to run)  
Wait 'til it's over (Wait 'til it's over)  
Wait 'til it's gone (Wait 'til it's gone, gone, gone)  
No more talking (No more talking)  
It's all said and done (Said and done)
