

Not Enough

Benny Sings

It's not enough, not like that
You can't call me out and then make amends
It's not enough, understand
You can't take my dreams and just bring 'em back

Baby, you're my alibi
Hold back, leave me tonight
Baby, you're my alibi
Hold back, leave me to dry

It's not enough, not like that
You can't call me out and then make amends
It's not enough, understand
You can't take my dreams and just bring 'em back

Oh, baby, I'll forget about it
I like you more than you know
Maybe I'll forget about it
Baby, need more than hello (Yeah, yeah, oh no)

Hey, I've been wanting to call you
I'm sorry for the things I said
Baby, so pick up the phone, dear
I know you're mad, just let me live
Let me live, let me live
It's not enough, not like that
It's not enough, not like that
It's not enough, not like that
It's not enough, not like that
