Benny Sings

It's my heartbeat, you feel it love?
Let's get married pop, bring the doves
It's a lot, it's a ahh
There's so much to do ah

Keep it up keep it up ya
This love is super
Go to war make it up
Make it po, make it pop, make it pop

Will it be gone soon
Will the pain, will it be gone soon
Will the pain be gone soon
