

Summerlude

Benny Sings

Too high, too high, too high, too high
Da-da, yeah (Sunshine)
So high in the sky (Yeah, yeah)
I love the way your body moves
I love it when your body moves
Mira, mira
I love it when your body moves
I love the way your body moves
Mira, mira

How we've grown
How we blossom in sunlight
How we've grown (How we've grown)
How we blossom in sunlight (Sunlight)
How we've grown
How we blossom in sunlight (Blossom in sunlight, yeah)
How we've grown (How we've grown)
How we blossom in sunlight

Oh yeah, da-da, yeah
So high in the sky (Yeah, yeah)
I love the way your body moves
I love it when your body moves
Mira, mira
I love it when your body moves
I love the way your body moves
Mira, mira
So high in the sky

Yeah, yeah
Too high, too high, too high, too high
(Oh yeah, one time)
Da-da, yeah (Sunshine, yeah)
