

Young Hearts

Benny Sings

Young hearts
They're back again
And they laugh at the things people say
She's bright
And he's practical
As they're wasting their young lives away
And they're singin'

We'll fight our way to the top
It doesn't matter at all
We'll let 'em know we're untouchable
We're gonna make a new start
Light up the summer
Our love will be indestructible

He sits back of the classroom
She's right in front of the teacher's desk
She yearns to have back her smiles
He knows his life is a mess now
They soon found out
What's the best way to deal with the pain
He cracks, she laughs it off
As the needle goes into the vein
And they're singin'

We'll fight out way to the top
It doesn't matter at all
We'll let 'em know we're untouchable
We're gonna make a new start
Light up the summer
Our love will be indestructible

You, you never wanted it
You just tried to fit in
With the cool

We'll fight out way to the top
It doesn't matter at all
Our love will be indestructible
