

# Everybody Can't Go

Benny The Butcher

Yeah

They don't make 'em like us no more  
You know everybody gon' say that they like that  
Everybody gon' say that  
But this for us, this for y'all  
Uh

First I made a couple dollars, then my status changed  
To let them know that I'm thankful, I'm giving back the game  
Show 'em how I made it out from my trappin' phase  
'Cause I was more like Barry Bonds in a battin' cage  
Shit, all I did was stack and pray  
I'm from the jungle where niggas count war wounds as accolades  
Weed legal, I got a greenhouse, growing packs  
The farmer cutting hair off it like Doja Cat  
Gotta be a hustler, wanna stand on the side  
You wanna be a boss, you look a man in his eyes  
Buck twenty in the whip when I'm playin' in a five  
The only time you did that was in the ambulance ride  
I remember the first time I got my hands on a pie  
I broke it down and sold it one gram at a time  
No Ginger Ale, but I could'a bled Canada Dry  
Hear the money counter runnin' and my stamina rise  
Butcher

I been on the grind so long  
No help, did it all on my own  
Wonder if you know  
Wonder if you love me like you said you did before  
'Cause everybody just can't go

Accept that pain come with the money  
Spending cash through tears  
We the reason niggas got deals to pass few years  
Just add up all the rappers I inspired out here  
Sound anything like Griselda, sign right here  
Stashing money in the bathroom ceiling, my mom's bitchin'  
Cooking work, microwave beeping, sound like a bomb tickin'  
It's gon' harden up, soon as the fork settle in  
They break it in half like a divorce settlement  
I did so much shit to wear the crown  
Rocky relationship with the game like Iverson and Larry Brown  
These niggas think I get these dollars to stunt  
Yeah but, my daughter going to any college she want  
But I told her fuck school 'cause the cash ain't worth the pay  
And your pops was 20 and worth \$30k  
Fuck I'ma do next, they guessin', up wonderin'  
Know I'ma win, like the election if Trump run again

I been on the grind so long  
No help, did it all on my own  
Wonder if you know  
Wonder if you love me like you said you did before  
'Cause everybody just can't go  
I been on the grind so long  
No help, did it all on my own  
Wonder if you know

Wonder if you love me like you said you did before  
'Cause everybody just can't go
