

I tried to hide it through the silence while I played along  
I'm welling up behind my eyelids when I'm holding on to the rage  
So badly I hate him  
And I wish that all of  
No, no, no, that doesn't feel right  
Maybe, uh, speed it up  
Yeah, that's nice

I really hate the way you think that you can get away  
By blaming all your stupid problems on your mental state  
I'm tired of burnt-out lies  
Hoo

You think you know me, but you hardly even know yourself  
I bite my tongue and let you think I only wish you well  
I don't, I know you know it  
Hoo

And I'm tired of letting someone get the best of me, so go ahead and  
Cry  
Cry  
Go ahead and ruin someone else's life  
Cry  
Cry  
Go bug somebody else so I can sleep at night

Mm, you're more narcissistic than anybody in Hollywood  
You're not a misfit, don't keep saying you're misunderstood  
I'm tired, oh, I'm so tired, oh  
Ooh

And maybe you're the honest type  
And it's been me the whole damn time  
I should really try to calm my mind and see things from your side  
Or maybe you can

Cry  
Cry  
Go ahead and ruin someone else's life  
Cry  
Cry  
Go bug somebody else so I can sleep at night

Cry  
Cry  
Go ahead and ruin someone else's life  
Cry  
Cry

And I'm tired of letting someone get the best of me, so go ahead and  
Cry  
Cry  
Go ahead and ruin someone else's
