

Sugar Sweet

Benson Boone

If I could count the stupid things I do
For you or just for a taste
I'd make it to a million just to realize
It was all just a chase
Oh, what a waste

And now, I hope you know what you've done
I won't be here when you're running back
'Cause you don't have anyone

Oh, I bet you think your honey tastes like sugar
But honey, sugar don't taste that bitter
Baby, you ain't sweet
Look at what you did to me
Oh, I bet you money that you'll look back later
But baby, money won't make this better
Baby, love ain't cheap
Look at what you did to me

Look at what you did
Look at what you did to me

Silver chains and promise rings
Never really meant a thing, did they? (Oh, no-oh)
Was everything you did just a front?
Get the things that you really want from me (You wouldn't do that, would you?)

And now, I hope you know what you've done
I won't be here when you're running back
'Cause you don't have anyone

Oh, I bet you think your honey tastes like sugar
But honey, sugar don't taste that bitter
Baby, you ain't sweet
Look at what you did to me
Oh, I bet you money that you'll look back later
But baby, money won't make this better
Baby, love ain't cheap
Look at what you did to me

Ooh, look what you did to me, baby
Look what you did to me, baby
Ooh, look what you did to me, baby
Look what you did to me, baby

Oh, I bet you think your honey tastes like sugar
But honey, sugar don't taste that bitter
Baby, you ain't sweet
Look at what you did to me (What you're doing to me)
Oh, I bet you money that you'll look back later
But baby, money won't make this better
Baby, love ain't cheap
Look at what you did to me
