

# Wanted Man

Benson Boone

You rode in like a rock 'n' roll queen  
You brought every living man to their knees  
Ah, ah, two eyes like revolver machines  
Baby, aim your lethal weapons at me

Ah, ah, a body like it's carved out of stone  
But you dance just like it's liquid gold  
Ah, ah, excuse me, have I met you before?  
But I believe that you'll be taking me home

You really get me going  
I've never been this way  
Something about the way you're made

You're making me feel like I'm wanted  
You're making me feel like a wanted man  
I'd give up my life for your loving  
Dead or alive, I'm a wanted man  
You're making me feel like I'm wanted  
You're making me feel like a wanted man  
I'd give up my life for your loving  
Dead or alive, I'm a wanted man  
I'm a wanted man

Oh, this hold that you've got on my heart strings (Heart strings)  
When you pull, oh, it makes me do wild things

So listen to me now  
Ain't no slowing down  
Only speeding up  
No taking breathers  
Can you feel the heat between us?  
Break a sweat  
Bob your head  
Till you snap your neck  
Lord, I know I'd never forget it  
The love that I'm getting  
Is loving I could die for

You're making me feel like I'm wanted  
You're making me feel like a wanted man  
I'd give up my life for your loving  
Dead or alive, I'm a wanted man  
I'm a wanted man

I'm a wanted man  
I'm a wanted man  
I'm a wanted man  
I'm a wanted man  
Ah, ah, ah  
Ah, ah, ah, ah

You really get me going  
I've never been this way  
You really get me going  
I've never been this way  
Something about the way you're made, oh
