

Bewitched As I Am

Bent

Your kisses
Ave told me
That I'll never be alone

The only
Place on earth
That truly feels like home

I'll never
Recover
Bewitched as I am by you

You grew me
Orange trees
From under new skies so blue

And you made shy
Flowers bloom

From under the falling snow

Through my life
I love you
'Til these words all cease to flow

Oh you're so
Beautiful
You make my blue eyes ache

The looks that
You send me
Are causing my heart to break

Bewitched as I am by you
