

Gangsta's Touch

Benzino

Hangman Three Zino Murder Murder Hangman Three Zino Zino Benzin
o Cadillac Tah

See it ain't nothin but the gangsta's touch
that make em wanna ride with us
so come on mami hop on in this truck
people runnin leakin like Angel Dust
after we fuck blaze one up
Gangsta touch
that make em wanna ride with us
so come on mami hop on in this truck
people runnin leakin like Angel Dust
after we fuck blaze one up

Gangsta's get it goin chips and steady growin while haters are
steady
plottin whatever we told them and poppin Ma I know you love it
when
we rollin sittin in that baby blue blow this gangsta clean and
straight
from Queens and I do it for my block huggers niggas can not tou
ch us
roadies gotta love us something to bottom borrow choke the fift
h you're
bones saggin I'm tryin to see what's happenin lil mama what's c
rackin
I ain't with all the yappin and bumpin the gums jump in the box
er you
hungry we can go get a lobster sugar listen you dealin with big
sippin
players who want to be pimps drinkin all that garbage

Baby blue navy blue yellow canary stones she wanna have my baby
she like
the way I bone she wanna be my lady no wifey's at home black Me
rcededes
Coupe sittin on chrome she whisper to her girl I wanna take Zin
o home
obsessed with the fact she ain't leavin me alone okay mama you
want it
my dons gonna give it meet Black Cadillac don't rap it we live
it up in
Mass 21 chicks flock when we huddle my team's so fly we should
own a Delta
shuttle so stop actin boosie you talkin too much cause you fuck
in with a
dawg with a gangsta touch

See knowin nothin but a gangsta to pick her up and break her of
f baby so I hit her up and split a Dutch dud by nature Ma I ain
't gon chase ya we
make chips major take trips to Vegas sold fits with lasers don'
t believe
everything you hear you heard I play in the Coupe with birds re
move the
roof and splurge I'm really uncommercial without rehearsal a co
ntroversial
gangsta but I ain't gonna hurt ya so holla at us we got bottles
to bust
and models to touch thug life gangstas 'R us plus we them balla
s to click
with big six fifth shit with God as my witness
