In the studio all night makin' hits since you claim I don't right I'm a put it like this Benzino shit tight when I flex my wrists check the publishing dawg I gets checks for this and the public gonna love with the check for this motivated by the hate you better check the list shit's climbin' homeboy you better check these whips fully loaded with a tech two extra clips now it wasn't really that long ago when I put it down with my team almighty R.S.O. hustler by night make beats in the day had that thing under the bed if you fuck with Ray damn shame why we gotta live this way protect my life by any means I ain't dyin' today and I love rap music it's the reason I'm alive and my faith in God is the reason I survive what

I'm prayin' forever
I gotta find another way up
ain't no way I'll ever give up
I'm stayin' forever
and there ain't nothin' holdin' me down
ain't no way to count me out

Not too many chose the path that young Zino took where the R.S.O. or Made Men cats we shook I find it hard to believe that dawg's still livin' let alone makin' music and I in prison Destiny's some shit you can't avoid build a solid foundation and you can't destroy Me Jeff and JD we keepin' it real we stay-in homeboys fuck a record deal shit don't move less you got somethin' to prove caught up in the streets go gun for gun since day one I know I stack a million plus maintain keep my cash flow up bumble and sickly still got my .38 with me and my gangsta tight like invincible shit get critical you face I ain't feelin' you dead upon arrival it's all about survival I'm a rep for my title

Dead before dishonor I'm a scream it loud put in work Four Corners where I move the crowd undenied my dawg's were the best around media constantly tryin' to test my ground attitude real 'noyed my trust is gone temper always flare up my patience worn association's a bitch when you known by all conspiracy with a snitch wanna see me fall Raw shit revoke I don't seem to ever learn my lesson Hayes blowin' out the roof spray envy and blessin' Ray face the truth when niggas start confessin' hot up in the booth I hope I answered all your questions

Ain't no way to count me out I'm gon' be here for you babe we gotta find a way out
ain't no way I'll ever give up
