

Oh, To Be Cool

Ber

Oh, to be cool
Oh, to be fun
Oh, to be beautiful and reckless
And have it all
Oh, to be rich
Oh, to be hot
Oh, to somebody that I'm really
Fucking not
If I had one wish
I would be that bitch
The center of the party
"She can't help it" kinda bliss
And be cool
Oh, to be fun
Oh, to be cool

I'm not the jealous type
Or am I? I can't help it
There's movie stars and works of art
And then there's me
That keeps me up at night

And I know nothing's as it seems but

Seems like it'd be real nice
To step into a new life
Maybe just for one night
Or two

Oh, to be cool
Oh, to be fun
Oh, to be beautiful and reckless
And have it all
Oh, to be rich
Oh, to be hot
Oh, to somebody that I'm really
Fucking not
If I had one wish
I would be that bitch
The center of the party
"She can't help it" kinda bliss
And be cool
Oh, to be fun
Oh, to be cool

I romanticize and fantasize
A mansion on a hill
That I've kissed a lot of strangers
And I sampled every pill
The grass is always greener
And we've all got time to kill
Don't wanna buy the dream they're selling
But let's be real I will

Seems like it'd be real nice
To step into a new life
Maybe just for one night

Or two

Oh, to be cool
Oh, to be fun
Oh, to be cool

Oh, to be cool
Oh, to be fun
Oh, to be beautiful and reckless
And have it all
Oh, to be rich
Oh, to be hot
Oh, to somebody that I'm really
Fucking not
If I had one wish
I would be that bitch
The center of the party
"She can't help it" kinda bliss
And be cool
Oh, to be fun
Oh, to be cool

Cool
Oh, to be cool
Oh, to be cool
