

time after time

Ber

Lyin' in my bed, I hear the clock tick and think of you
Caught up in circles, confusion is nothing new
Flashback, warm nights almost left behind
Suitcase of memories
Time after

Sometimes you think of me, I'm walkin' too far ahead
You're callin' to me, I can't hear what you've said
Then you say, "Go slow", I fall behind
The second hand unwinds

If you're lost, you can look and you will find me
Time after time
If you fall, I will catch you, I'll be waiting
Time after time
If you're lost, you can look and you will find me
Time after time
If you fall, I will catch you, (I'll be waiting) I will be waiting
Time after time

After my picture fades and darkness has turned to gray
Watchin' through windows, you're wondering if I'm okay
Secrets stolen from deep inside
The drum beats out of time

If you're lost, you can look and you will find me
Time after time
If you fall, I will catch you, I'll be waiting
Time after time

If you're lost, you can look and you will find me
Time after time
If you fall, I will catch you, I'll be waiting
Time after time

But you say, "Go slow," I fall behind
The second hand unwinds

If you're lost, you can look and you will find me
If you fall, I will catch you, I'll be waiting
Time after time
If you're lost, you can look and you will find me
Time after time
If you fall, I will catch you, I will be waiting
Time after time

Time after time
Time after time
