

## Either Or Either

Beres Hammond

Don't make me promises that you can't fulfill  
You've done it before, it's amazing I love you still  
Girl, this won't be, no no no no not like the last time  
You spoke with words so gentle and made me feel fine  
Now my cup is running over, oh the pain si so strong  
I can't go no further

Either or Either, it's now or never  
Come to me now or stay forever  
Either or Either, it's now or never  
Come to me now or stay forever

I'd like to know that we still can get along  
And if you're willing, I can forget the things you've done  
Things like hurting, like suffering and standing in the rain  
I don't know what you're playing but it sure is a dirty game  
Cause Now my cup is full and running over  
Oh the pain is so strong I can't go no further

Either or Either, it's now or never  
Come to me now or stay forever  
Either or Either, it's now or never  
Come to me now or stay forever

Don't make me promises that you can't fulfill  
You've done it before, it's amazing I love you still  
Girl, this won't be, no no no no not like the last time  
You spoke with words so gentle and made me feel fine  
Now my cup is running over, oh the pain si so strong  
I can't go no further

Either or Either, it's now or never  
Come to me now or stay forever  
Either or Either, it's now or never  
Come to me now or stay forever

Either or Either, it's now or never  
Come to me now or stay forever  
Either or Either, it's now or never  
Come to me now or stay forever
