

# It's Not Official

Beres Hammond

I'm a gonna have to let you know,  
Soon and very soon.  
It's not official yet,  
Gonna let you know as soon as I can.  
It's not official yet,  
Gonna let you know as soon as I can.

The most wonderful thing happened to me today,  
Oh, I met this woman,  
Everyone is waiting a lifetime to meet.  
She have good vibes, cut me right down to size.  
Soon she will be sharing the comfort of under my sheet.

But it's not official yet,  
Gonna let you know as soon as I can.  
It's not official yet,  
Gonna let you know as soon as I can.

Humble is not the word,  
It's more one of a kind.  
Rearest in my time and the treasure that very few men find.  
You're that missing link, put me right back in sync.  
Soon you'll be sharing the comfort of under my sheet.

But it's not official yet,  
Gonna let you know as soon as I can.  
It's not official yet,  
Gonna let you know as soon as I can.

When you're not in competition,  
What will be yours, is gonna be yours.  
Thanking you Father, for sending me this woman.  
After knock, knock, knocking on so many doors.  
Heaven bless you girl.

It's not official yet,  
Gonna let you know as soon as I can.  
It's not official yet.  
Gonna let you know as soon as I can,

The most wonderful thing happened to me today,  
Oh, I met this one woman,  
Everyone is waiting a lifetime to meet.  
She have good vibes, cut me right down to size.  
Soon she'll be sharing the comfort of under my sheet.

But it's not official yet,  
Gonna let you know as soon as I can.  
It's not official yet,  
Gonna let you know as soon as I can.

Gonna have to let you know.  
You're the sweetest thing I ever met girl.  
It's not official yet,
