As if there waiting for you ti despies  
Oh but when you hug me  
If front of everyone  
I know your stating  
This is where you belong

Your my kinda girl (your my kinda girl) forever  
Your my kinda girl (your my kinda girl) yeah

And who are they to have the last word, yeah

There's one thing I am sure by now everybody knows  
Ohhh when you touch me (touch me)  
Feel it from your heart

If someone should rob you theirs isn't mine hey  
I'll be my own judge, my own jury when I fine

Feel it from your heart  
And when I hold you baby  
Real firework starts

Your my kinda girl (your my kinda girl) yeah, baby  
Your my kinda girl (your my kinda girl) oh, yeah

Ahhh

Every man wants you yes

And everyone is talking about it  
Ha ha eh eh, yes  
I hear so often, yes  
Sometimes it gets old, yeah
