

# No Goodbye

Beres Hammond

I can't, no  
I can't...

Every time I think of saying goodbye  
Everything inside me says it's a lie

So I can't  
No I can't  
No I can't  
Yes

Yes, you've been with me right through the rough  
And you've never said, "I've had enough"

So I can't  
No, I can't  
No, I can't  
Yeah honey...

I'd like to repay you for damages done  
I know I won't be able to repair it all 'cause I lost count  
And with all the time you've been hurting  
You're still so fine and it's blowing my mind  
I know I should pack and walk away and leave you nothing to remind

But I can't  
Oh I can't  
No I can't  
No honey  
No...

Just wish I was man enough to  
Come out and say it to you  
You know?

I'd like to repay you for damages done  
I know I won't be able to repair it all 'cause I lost count  
And with all the time you've been hurting  
You're still so fine and it's blowing my mind  
I should pack my things and walk away and leave you nothing to remind

But I can't  
Oh I can't  
No I can't

Every time I think of saying goodbye  
Everything inside me says it's a lie

So I can't  
No I can't  
No I can't  
Baby...

'Cause, you've been with me right through the rough  
And you've never said, "I've had enough"

So I can't

No, I can't  
No, I can't  
Hey, hey...

I try, I try, I try but I can't, should've known better  
I know I would never, how could I leave you baby  
But you're so fine with everything I do  
No  
I can't, I can't

Oh baby, ooh baby  
I wish that we were just starting  
Oh baby
