

Step Aside

Beres Hammond

Hey,
This is no disrespect,
No disrespect, no disrespect brotherman.
This is no disrespect, but could you...

Step aside now, another man wants to take over.
Cause you don't know what you got,
So now it's time to lose her.
Step aside now, let me show you how to treat a woman.
She needs a tender touch,
She needs loving, ohoh, so much.

Now tell me are you crazy,
Leaving her for so long, oh, so lonely.
Now she's a winner, so you better protect her.

Cause when you're feeling blue, and you don't know what to do.
She will comfort you,
She's a dream come true,
She will be your friend when you think that it's the end.
She's always around,
Always around.

Won't you step aside now, another man wants to be the ruler.
Cause you don't know what you've got,
And now it's time to loose yes.
Step aside now, let me show you something 'bout your woman.
She needs a tender touch
She needs loving, ohoh, so much.

Now tell me are you crazy,
Leaving her so long, oh so lonely,
Now she's a winner, so you better protect her, yeah.

Cause when you're feeling blue, you don't know what to do,
She will comfort you,
She's a dream come true.
She will be your friend when you think that it's the end,
She's always around.
Always around.

No disrespect.
