Strange

Beres Hammond

Strange woman is strange cho can believe dis How come you tell me that you love me then you run away And if you love me why you listening to hearsay 'Cause in the night you pack you things and mek you getaway

And if you neva love me shoud a tell me right away You neva hi me when me rapsa up de next day Feel like a soccer when dem naah gi no air play Like a piece a furniture you lef me pon de lay-a-way You got me roun de block me wan fi know wha you a seh

Mi nah go deal wid it your way, wid all de Latin music a play Di dinin' and di violin and le le mi nah go siddun and listen 'Cause I know you gonna have to make a 360 turn All that standing on your own make sure no bridge nah burn Either you like it or leave it

Might no know nuttin' much 'bout biology Set speed when it come to trigonometry Right yah now and dis between de whole a we Yes me know enough fi know when gal a swing me And me no really waan fi put you under pressure

Mi haf fi sure seh you runnin' days are over An you come stan up long side me like soldier And give up dat wid some better behavior Mi naah go deal wid it your way

Wid all de Latin music a play di winin' and di dinin' an you le le Mi nah go siddun and listen, if mi know you a go missin' Make a 360 turn or stay on your own, make sure yuh bridge nah burn Either you like it or leave it

How come you tell me that you love me then you run away And if you love me why you listening to hearsay 'Cause in the night you pack you things and mek you getaway And if you neva love me shoud a tell me right away 'Cause me vibes neva irie me de nex day Feel like a sample dem naah gi no air play dam

Ribly bom skeng you come back again
Mi naah go deal wid it your way wid all de Latin music a play
Winin' and di dinin' an you play le mi nah go siddun and listen
If mi know you a go missin' make a 360 turn
Hold your debt on your own make sure yuh bridge nah burn
Either you like it or leave it

Mi naah go deal wid it your way wid all de Latin music a play Winin' and di dinin an you le, le mi nah go siddun and listen If mi know you a go missin' make a 360 turn Hold your debt on your own
