

Two Sweet Love Affair

Beres Hammond

I know there's gonna be trouble,
All over again.

I'm caught up in a, (two sweet love affair),
Big bad triangle, (two sweet love affair),
And I'm caught in the middle, (two sweet love affair),
God knows it's gonna be trouble, (two sweet love affair).

Oh I wish it was an illusion,
I never anticipated such confusion.
Had no reason to be so craven,
Cause at home I got to have my woman.
But I saw her and I lusted,
And I told myself I had to have her.
Now I must face it, I really love it.
The hardest thing is letting go,

I'm caught... (two sweet love affair),
Big bad triangle, (two sweet love affair),
And I'm caught up in the middle, (two sweet love affair),
God knows it's gonna be trouble, (two sweet love affair).

Now, It was ok just for a while,
'Till I started changing my style.
Then the woman at home start noticing, Getting touchy over every little thing.
What's that sweet smell you're wearing?
Do you have to wear that pair of shoes?
She said tonight wherever you're going,
I'll be right there under your nose.

I'm caught and done... (two sweet love affair),
Big bad triangle, (two sweet love affair),
I'm caught in the middle, (two sweet love affair),
This a ring versus bangle, (two sweet love affair).

I know there's gonna be trouble,
All over again.

This is more than just a problem,
I am expected to make a decision.
And it's the kind of situation,
That there's hardly any solution.
She said you had no reason,
To be so craven,
Cause at home you got to have a your woman.
Now I must face it, I really love her.
The hardest thing is letting go.

I'm caught and done... (two sweet love affair),
Right in the middle, (two sweet love affair),
Big bad triangle, (two sweet love affair),
Ring versus bangle, (two sweet love affair),
Dis a no nuts this a tangle, (two sweet love affair),
Sweet sweet love affair, (two sweet love affair),
Caught in the middle, (two sweet love affair),
Bad triangle, (two sweet love affair),

Beres right in the middle, (two sweet love affair),
Big bad gamble, (two sweet love affair),
Caught up in the middle, (two sweet love affair)...
