Berhana

(Why am I so paranoid?
Can't be so pa-)

Drunk in Tokyo, I do not know the language, nor how I know your name
Just slipped past the guards and in past this godless garden, it's all the same
7-7, all the same, tweak until she tell me she
Drunk in Tokyo with no place to go, don't know how she know me

I swear I seen you dance (I swear I seen you dance)
Was it in Paris, France (my lovely, dark romance)
Come towards the water babe (run to the waves of gold)
And then it's all on me (I thought I'd let you know, oh)

High in Tokyo, my head is so low, these police don't play no games
Just did my first show, I saw you front row, don't know how I know your name
'Scuse me if it's rude to say, smiled and then she told me she
High in Tokyo, her life in slow-mo, don't know how she knows me

I swear I seen you dance (I swear I seen you dance)
Was it in Paris, France (my lovely, dark romance)
Come towards the water babe (run to the waves of gold)
And then it's all on me (I thought I'd let you know, oh)

I was made to ride for you, I would die for you, it's (yours)
I was made to ride for you, I would die for you, it's... (Don't
you know that it's yours, babe?)
I was made to ride for you, I would die for you, it's... (Don't
you know that it's yours, babe?)
I was made to ride for you, I would die for you, (it's yours)
I was made to ride for you, I would die for you, it's...
I was made to ride for you, I would die for you, it's...
