

Golden

Berhana

We
We're golden
We

Listen what the world has gotta say
Tryna make amends and stay alive
Heard some snakes is coming towards my way
Take a mongoose, coast down 85

We're golden
We're gold
We're golden
We're gold

Remember love in the summer
Take you to the cinema
Yellow halo above ya
It's something bigger than us
It's bigger than love

We're gold
We're golden
We're gold

Love to love you, baby
Love to love you, baby
