

I Been

Berhana

I been
Hoping
Praying
Waiting
Scheming
Dreaming
Want you back and I need you now
Tell me
What you're
Feeling
Feeling
'Cause I can't fight this fight much longer, baby

Called you from a burner
I just wanted to confirm it
I just need to know for certain
Just need to say that I tried
Remember every Sunday?
When I'm driving down that one way
Thought I saw you in a Hyundai
Why you always crossing my mind?

Do your back still hurt?
Why you out so late?
Know you work so hard
Know you hate champagne
Is there something I can do?
Just wanna make this easier for you
And you can make this easier for me
Give me a little time and you can see that
I've been
Working
On me
For you baby

I been
Hoping
Praying
Waiting
Scheming
Dreaming
Want you back and I need you now
Tell me
What you're
Feeling
Feeling
'Cause I can't fight this fight much longer, baby

I been
Hoping
Praying
Waiting
Scheming
Dreaming
Want you back and I need you now
Tell me
What you're

Feeling
Feeling
'Cause I can't fight this fight much longer, baby

Still remember the name of that red wine
Clang, clang
□ □□□□ □□□ □□ □□ □ □
Whip up, whip up
Now I know
What you meant to me
Stop wasting your time we're meant to be

Tell me
What you're
