Berhana

I know I always promised to play fair
With you I feel there's nothing I can't share
Could run a million miles behind your hair...
But you're not the one

Gonna hate me after this I know
Probably tell your friends how I'm a joke
I wish I didn't have to let you go...
But you're not the one

I'm ducking and bobbin', weavin'
A new chapter on my shelf
Text messages I'm deletin'
In need of relief myself
You might think that I'm conceited
Stuck in the same ol' phase
But I lost my mind and I need that
Give me some space, girl
Lean back

Falling out of the place (Yeah I'm fallin', I'm fallin like-)
Think I lost my way (I don't know what to do)
But all you hear is he just wanna move on
Giving love on borrowed time...
It was never you and I

But you're not the one

But you're not the one
