Wow!

Berhana

Ready? What?
Uh, yeah!
Hol' up

I suppose I'll go meet your folks
But it's no more space in the closet
If it's late, I'll call
Stay till tomorrow, I'ma keep you in my left back pocket
I don't wanna cross on my shoulder!
Shots at the bar, I don't needa be sober
I don't needa have kids!
I don't needa hold a bitch!
Homie bringing three hoes over
Two cars with a crib, beat a child with a bib
Never wanna live life as a "Shoulda Been"
Tried to find sleep in the medicine
One nightmare worse than it's ever been

Found myself then found my meaning
Plant your seeds for fertile seasons
Once was blind but now I see it
Wow! (Wow!)
Found myself then found my meaning
Plant your seeds for fertile seasons
Once was blind but now I see it
Wow! (Wow!)
Woo!

All that shit you talking now?
You just scared of the infinite
You ain't even gotta gameplan
In a sense, you ain't innocent
You should prolly settle down
You should really watch your mouth
Sinking deeper into quicksand and
"Real nigga" or a "Real Man"?
"Strip club" or a "Strip of Land"?

Found myself then found my meaning
Plant your seeds for fertile seasons
Once was blind but now I see it
Wow! (Wow!)
Found myself then found my meaning
Plant your seeds for fertile seasons
Once was blind but now I see it
Wow! (Wow!)

Found myself then found my meaning
Plant your seeds for fertile seasons
Once was blind but now I see it
Wow! (Wow!)
Found myself then found my meaning
Plant your seeds for fertile seasons
Once was blind but now I see it
Wow! (Wow!)
Woo!
