

# Dancing in Berlin

Berlin

Stop, now, let's go again  
Go, don't stop again  
No, I don't want to be alone

Yes, it's a time for fun  
Dance 'til the night is done  
Look, it's a motion picture show

Dancing in Berlin  
Dancing in Berlin  
Dancing in Berlin  
Dancing in Berlin  
I want to see you

East, such a mystery  
West, open history  
You, just a moment flashing by

One, there's no time for this  
Two, give me just one wish, please  
Please, there's no wall in front of you

Dancing in Berlin, I want to see you  
Dancing in Berlin, I want to be with you  
Dancing in Berlin, you and me, boy  
Dancing in Berlin, I want to see you  
Dancing in Berlin, I want to see you  
Dancing in Berlin, I want to be with you  
Dancing in Berlin, I want to see you  
Dancing in Berlin, I want to, want to see you

Dancing in Berlin on the floor all night  
Dancing in Berlin on the floor, alright

Dancing in Berlin, I want to see you  
Dancing in Berlin, I want to be with you  
Dancing in Berlin, I want to see you  
Dancing in Berlin, I want to see you  
Dancing in Berlin, I want to see you  
Dancing in Berlin, I want to see you  
Dancing in Berlin, you and me, boy  
Dancing in Berlin, I want to be with you  
Dancing in Berlin, I want to see you  
Dancing in Berlin, I want to see you  
Dancing in Berlin, you and me, boy  
Dancing in Berlin, I want to be with you  
Dancing in Berlin, I want to be with you  
Dancing in Berlin, you, you  
Dancing in Berlin, I want you  
Dancing in Berlin, I want to be with you
