## They Say It's Wonderful

**Bernadette Peters** 

## ANNIE

Rumors fly and you don't know where to start 'Specially when it concerns a person's heart I've heard tales that could set my heart a glow Wish I knew if the things i heard are so.

They say that falling in love is wonderful It's wonderful, so they say And with a moon up above it's wonderful It's wonderful, so they tell me

I can't recall who said it I know I've never read it I only know they tell me that love is grand And

The thing that's known as romance is wonderful Wonderful, In ev'ry way, So they say.

Rumors fly and they often leave a doubt But you've come to thte right place to find out Ev'rything that you've heard is really so I've been there once or twice and I should know

You'll find that falling in love is wonderful It's wonderful, so they say And with a moon up above, it's wonderful It's wonderful, as they tell you

BOTH You leave your house some morning And without any warning You're stopping people shouting that love is grand And

To hold a man in your arms is wonderful Wonderful, in ev'ry way

I should say!
