

I Hope I Never

Bernard Fanning

I fall apart when you're around
When you're here, I'm nowhere
I can't pretend that I'm not down
I show it, I know it
I've been a fool - more than once, more than twice
I'm gonna move to a new town where the people are nice

I hope I never, I hope I never have to sigh again
I hope I never, I hope I never have to cry again
I still want to beam and smile
Happiness is back in style

I hope I never, I hope I never have to see you again
Again

It should be possible I know
To see you without stress
But I can see I'll have to go
I'm changing my address
My urge to cry I have failed to conceal
Life - it's no fun when you're hunted by the things that you feel

I hope I never, I hope I never have to sigh again
I hope I never, I hope I never have to cry again
I'm for living while you can
I'm an optimistic man

I hope I never, I hope I never have to see you again
Again, oh oh oh oh...

I hope I never
I hope I never
I hope I never
I hope I never
I hope I never...
I hope I never...
I hope I never...

I hope I never...
