Berner

Am I wrong  
If I wanna get high  
Am I wrong  
If I wanna take flight  
Yeah, smoking in my Maserati  
My nigga please don't tell nobody  
Soon as we finish burning Ima' valet park it  
Yeah, we the highest in the party

Light it up  
Put it in the sky  
We be floating on a cloud  
Lets try numba' nine  
If you take a trip with me  
Be the ride of your life  
I'm just trying to get high  
I can't lie nigga tell me  
Am I wrong  
If I wanna get high  
Am I wrong  
If I wanna take flight  
If I'm wrong

From 300 to zone  
Grown in my home  
The cookie turn purple if you leave your room cold  
I need 200 on every pound sold  
She love the way my weed taste  
I'm getting sucked on the freeway  
I'm from the bay she give me money  
Drug money in my breifcase  
I'm dirty

I light the F1 derby  
Uh, I'm loady yeah my clip hole dirty  
My clique stay high  
Whip coke white pearly  
Wake up get smoked out all early  
Bag so loud yeah the hole room hear me

Am I wrong  
If I wanna get high  
Am I wrong  
If I wanna take flight  
Am I wrong  
If i wanna get high  
If I'm wrong  
I don't wanna be right  
Am I wrong?
