

Berkin

Berner

New life, new ice
Might buy you a Birkin tonight
It's all on you, that's right
You could slide on a first-class flight (Already)
New life (New life), new ice (New ice)
Might buy you a Birkin tonight
It's all on you, that's right
You could slide on a first-class flight

Quarter-ticket for the whip, but I ain't trippin', she can have that (She can have that)
The head game crazy and the ass fat
She want a Birkin bag, she can grab that (She can grab that), she know where the cash at
Pull it out the safe and tell the plane where to land at
My side bitch jealous, want the life that my main have (Know she do)
Enjoy the caviar, baby, you can taste that (Taste that)
Smokin' in my Maybach, put her in the lay-flat
She never flew before, I can get her there ASAP (Right now)
LV everything, she sleep in designer
Even got my name tatted on her twice, baby fire (Baby fire)
New kit match her drip, had to get her all icy
And, damn, a pretty bitch pricy, yeah

New life, new ice
Might buy you a Birkin tonight
It's all on you, that's right
You could slide on a first-class flight (Already)
New life (New life), new ice (New ice)
Might buy you a Birkin tonight
It's all on you, that's right
You could slide on a first-class flight (Check it out, man)

Yeah, you fuckin' with a player-made Mexican that'll make some plays
Turn your lemons into lemonade, that's Ronnie Ray
He gon' put you in position
Give you SkyMiles, put you in this jurisdiction
Meet me out in Maui, you can meet me out in Cabo
We gon' live it up, we gon' live it like we Pablo
Make it to Dubai just to buy your ass a condo
You ain't fuckin' with no scrub, you fuckin' with a head honcho, pronto
I'm an alpha, not a weenie, put on that bikini
I'll take you to Tahiti, let your mind run freely
Watch it glisten in the sunset, girl, you're gettin' wetter
I pop it off like my Beretta, where's my cheddar?

New life, new ice
Might buy you a Birkin tonight
It's all on you, that's right
You could slide on a first-class flight (Already)
New life (New life), new ice (New ice)
Might buy you a Birkin tonight
It's all on you, that's right
You could slide on a first-class flight

Meet me in the H-Town, we could head back to the country
Pick her up from the airport, high as fuck, I got the munchies

Stopped at the gas station, forgot why I stopped and started fuckin'
I got five-percent tint on the D, so I ain't worried 'bout no duckin'
I'm smokin' Cookie, her pussy makin' milk, fire weed, I got hot breath
DRODi only one tall enough, so I ask him for that top-shelf
I'm smackin' ass with Tio Baby Bash, countin' cash, down to smash
Tio Berner pushed up with the hash and we got high off our ass
Step in this journey and I'll change your life
I remember when you had the plain jane and now you freezin' in ice
And while you freezin' in ice?
I'm sweatin' in Texas, sippin' on drank with a beverage
Been in the paint since eleven, smokin' some things, seein' Devin, right on

New life, new ice
Might buy you a Birkin tonight
It's all on you, that's right
You could slide on a first-class flight (Already)
New life (New life), new ice (New ice)
Might buy you a Birkin tonight
It's all on you, that's right
You could slide on a first-class flight

Staring in the mirror, looking at your figure
Booty looking thick on you
Booty looking thick on you
Staring in the mirror, looking at your figure
Booty looking thick on you
