

Clear

Berner

Roll the windows down let em know that the shit that I'm smokin
is not around
I'm Highsidin' full melt bubble make the J burn slower
Two weeks flushed I'm a plush weed grower
White ashes, White ashes, that's right I brought the right pack
age
Room look like NASA hundred-grand set-
up more than 99 yeah I had to get my bread up
Levi jeans and my fresh Gold zip up, brand new ink yeah I just
got hit up
Khalifa Kush yeah just got lit up, a 100 pack of cookie and a t
rim up
Bern been about big money since I sold my first bag, and I'm on
raw papers I don't want no zag
I'm a snob when it comes to my smoke cause unflushed weed ain't
good for yah throat

I roll a quarter pound and I won't share, roll the windows down
let the smoke clear
She said it's too smokey and there's no air, roll the windows d
own let the smoke clear,
I spend a 100thou like I don't care roll the windows down let t
he smoke clear
I Pull up with a joint behind both ears, roll the windows down
let the smoke clear

I roll the windows down and pull up smellin like a pound of cra
zy loud
I told her that a brand new truck would make me proud, we let t
he money pile I'm smokin good I'm outta town
She said it's too smokey in the whip, she chokin, well you don'
t get high unless you cough when you smokin
I doubled up my dosage, bottomless mimosas house by the beach I
wake up and smell the ocean
I'm a OG weed growing king what you rollin cause you ain't got
shit on what I'm holdin
I let the yellow hash melt on the skillet and brought a 20 pack
with me when I came to visit
I'm a get it now, hold it in when it's time to hit cause that's
that Cake K not that midgit that your twistin
I tell em take a listen, I'm nice in the kitchen, watch the ice
glisten this the life that I'm livin

I roll a quarter pound and I won't share, roll the windows down
let the smoke clear
She said it's too smokey and there's no air, roll the windows d
own let the smoke clear,
I spend a 100thou like I don't care roll the windows down let t

he smoke clear

I Pull up with a joint behind both ears, roll the windows down
let the smoke clear
