All white benz I'm just lying like I'm leaning
three or four charges and I'm hoping that I beat em
then let just ball out, and they pull inside the dream look at me
29 in the cell screaming free me.

New Gucci looks, uh, customate Gucci coat
black jeans 50 stacks lean got me movin slow
bitches in my face talking money and she ready though
I guess his trips and already hoes
trust me I lose love one over money it's funny
'cause I know my ex wife still loves me,
twenty in my head tryin take me away
I'll leave her a shooter on his face dead
you think that I'm plan
I'm talking nights with no sleep stop thinking the jail
I love homie got hit shit, I hope you don't tell
I hope ..weather let this getting harder the read
my daughter needs a dad, but daddy's still stucking them streets
I'll do a no school flip with that ..if I have too
roll the windows up and let the pigs right roll pass you
as cloudy in my car how you're living, how you're living
and if I die tonight remember me like John Lenon
fly with em and get me gives just to get some dick
I'm on the road like John Felly like the ass come here
I only rap 'cause I need this track money to tip
I'm in this stick letting thousand kush go for six
am I six limo tense sun roof of the sun
my numb from the shit I seen I hate doing wrong
crime page while out shit I'm young and I'm rich
probably sitting in the cell looking back at the shit

What a fuck my nigga price die,
ain't no love in this streets so the price high
I climb, drive tears I'ma hide, so I'm hot
white walk down on the ..'cause I'm on my..
she want a regular dude with a regular job,
but freeze mary to the game it's not for the side
new bill cosby no..shot,..and two pop shit ambitions of a rider
'cause I'm a rider for my sun and my daughter
I might offer you forgive me heavenly father
I ain't the best father, I need there a prove

I keep em fresh like every day is back to school
Michael Jay Fox I'm back to the future
Tony my tennis style I need an accurate future
good niggas dying we need accurate shooters
accident humble need this two scare they need to put the..

House for two swimming pools
all with the floors glass ceiling
pound..view, barbecue and the winner
still written, my vision clear even though I wear carty lenses
but party with women I drink the cardy lean women
you niggas is tardy, we've been revil hardly engines
all my niggas that's gone, you know it's hard to mention
and I can't accept like a fresh from a car convincing
ball till I fall I still thank God for living
don't go to church though I'm living this my religion
cook and work in the itchin,
this fool for thought my nigga you do the dishes
cover your mouth when we talk, you know the fast listening
guns got the sparkin at this little sun Christin in
..you old brag and found there by old wife fistelin
hated like simermin look at the world we're livin in
had of your business we move more trees to temberlin
ball like the whimble can't help and ..handerlin
pop and ..ya'll niggas invited

Ya'll talk that we livin it, we walked and we did this fit
we're barkin with bigger clips
don't care if you're innocent
look at my black skin they
