

Fuck Faces

Berner

Now two Puerto Rican bitches on my line, so [?]

My diamonds dance like a dancer, girl
Your body is right, yeah
Did it so good, I almost bought her a flight, yeah
Hit it so good we don't bother to fight
Fuck a pill, fuck a bottle of Sprite, girl we on one tonight
Gucci slippers, Louie lighters get lost
Why she send dirty pictures everytime I don't call?
You know I got a few kids and a wifey at home?
And you still wanna fly me to Rome? bitch, gimme the dome
[?] lost yeah there's plenty or more
You know how many girls that I met on tour?
I got dime pieces but they side pieces
I like the one's that come around for the right reasons
I don't like cheatin'

Pull up in the peanut butter coupe like, "hello"

We exchange fuck faces, we don't fuck basic
Bitches we just ask 'em how that nut tastin'
I been all around the party and see enough places
Yeah, I ball around the world exchangin' fuck faces
We exchange fuck faces, we don't fuck basic
Bitches we just ask 'em how that nut tastin'
I been all around the party, see enough places
Yeah, I ball around the world exchangin' fuck faces

These bitches claimin' that they models, man, that shit is a joke
Yeah, just two drinks, she got some dick in her throat
Have you seen her Instagram? it says public figure
She's the type to take a little cash and go to dinner
It's Hawaii in the winter, Europe in the summer
[?] five-hundred, you could fuck without the rubber
Hell naw, I don't love her
I just beat and dug her phone calls for a week
I don't take her out to eat
I don't care if that pussy is sweet
I ain't goin' down on her, made her pay for the suite
Everytime we meet up, I gotta grind [?], then I put her ass to sleep
Man, I hate when I cheat

Told the bitch fall back, you ain't know what time it is with me
Fuck [?]

We exchange fuck faces, we don't fuck basic
Bitches we just ask 'em how that nut tastin'
I been all around the party and see enough places
Yeah, I ball around the world exchangin' fuck faces
We exchange fuck faces, we don't fuck basic
Bitches we just ask 'em how that nut tastin'
