Berner

You motivate me girl  
You make me pimp harder  
When I see you come back with all that money  
When I see you gettin' all that money  
It makes me pimp these other bitches  
Like never before  
Ain't never had one like you  
Get a whole lotta' money girl  
You make a nigga pimp harder  
Every goddamn day  
Bitch

Let me holla at you patna and spit some game  
He said he sent it last night but it still ain't came  
It got me up in the mornin', sittin' here stressin' (Man, I'm stressin')  
Either I'mma make a hundred-grand or learn the lesson  
And we don't answer questions  
We don't fuck with snitches (We don't talk to police)  
Yeah, I ride old school classics and big body Benzes  
I'mma whip it  
Let it burn rubber (Burn rubber)  
Got a side bitch, had to tell her I don't love her (I don't though)  
You should be gettin' it  
Gettin' money (Get your money up)  
Put her on a plane, half a mill on a cute snow bunny  
Pull a lawyer, like Tony Serra (Tony Serra)  
I could see a fed case when I look in the mirror (In the mirror)  
This shit is crazy, but I love it  
And when I lose a box I could feel it in my stomach  
Yeah, I'm out here grindin'  
Still sendin' boxes (Still sendin' boxes)  
And I get a rush when I bounce back from loses  
You should be gettin' it

Oh, you know I'm gettin' mine  
I'm really livin'  
And everyone in my team is really winnin'

So, I'm gettin' it  
While the gettin' is good (Gettin' is good)  
Yeah, I'm straight gettin' it  
'Cause the game is good ('Cause the game is good)  
So, I'm gettin' it  
While the gettin' is good (Gettin' is good)

'Cause the game is good ('Cause the game is good)

See, I got all my game from the streets of California (From the Bay)  
Young millionaire, yeah, I'm rich off marijuana (Off of tree)  
I rolled a fat joint for the haters to smoke  
I go deep in her mouth and I play with her throat  
Young Bern in the house, you know I ain't trippin'  
Life's too short, I gotta get it while I live it (While I live it)  
Exotic women, swimmin' in my pool (Ay)  
I stepped out the house with a pillow and tool (Brrrrrat)  
Big bags full of smoke, we all gettin' loaded (You know I burn)  
I break the sauce out, lace the joint before I roll it ('fore I roll it)

And yeah I'm holdin', got everything you need (Errythang)  
Fuck a dream, yeah, I'm rollin' with a big magazine  
Yeah, I'm gettin' it, I'm talkin' guala (Guala)  
Yeah, I got a long hair bitch in Guatemala (Goddamn)  
She a freak bitch  
I'm buyin more rubber bands  
Got a five-mill advance, put it all in some land  
I'm really gettin' it

You already know what time it is  
The big Bay Area's in the buildin'  
And we talkin' 'bout mansions

So, I'm gettin' it  
While the gettin' is good (Gettin' is good)  
Yeah, I'm straight gettin' it  
'Cause the game is good ('Cause the game is good)  
So, I'm gettin' it  
While the gettin' is good (Gettin' is good)  
Yeah, I'm straight gettin' it  
'Cause the game is good ('Cause the game is good)
