Berner

Gotti
Millyz warrup?
Yeah
You know I'm sideways in this motherfucker
Yeah

This year I'm in my bag, tell my momma I need a beat (I need a beat)
I got six from my bag flash shit you ever seen (you ever seen)
I'm wearing Air Hermes with long magazine
And blue berry cook with cherry tangerine
I'm sick of buying cars I just wanna slide cars (slide cars)
Buffing every bank, I can lies kinda hard (it's hard)
Lame side of bus turn a water right off
It's organize bills for I went to buy soft's
I grab a quick M, what nice drop?
Used to dream about rolling and coke white drop (coke drop)
Used to go to war with captain Phil just like pack (like pack)
'Til I got my money up I hope this shit don't stop (I pray to God)
Send Barcelona that's a quick six hunnid (six hunnid)
I'm dope boy fresh and your man bitch love it (she love it)
I got some fam at there ready to spend (aah)
Burn another ounce in my balance (yeah)
Pop about my bad until my juvie on (my juvie on)
Pistol on my hip can't let him do me wrong (do me wrong)
Smoking out the zip that's what we usually on (we usually on)
The rarest shit you ever seen is like unicorn

Next level, I'm next level
Everything is next level
Just got another case
I just prayed it's not federal
Next level, I'm next level
Everything is next level
Just got another case
And I prayed it's not federal
Next level, I'm next level

Look, fast and for place I'm star in making
Regardless the hate in six figures for this cars we be racing
The home has turn savage 'cause that's for poverty maker
Stuck up the window with the charger the flip car and Zeker
Dodging the rain Mr. Ranker go to ranching
Oh, it's too politics to roll at presidential, Score and I intend to
Soccer's gossip and only match two
The envy is about what I'm in too, for I've been through, what I ran through
, playing simpler (simple)
I never oversleep 'cause I got a goal to reach (yeah)
Still got 'em freak I'm somewhere out of the country with the Copper strip (
Copper strip)
She got that brain that I remember because of broke nick (yeah)
I should barbecue when I tell him smoke beef we cooking out (brr-ra)
C.M.B. mapped us, burn us and cookies out
We run off to that peggy took a rookies out, this is saddest status
It took a long time to get it established the penthouses be lavish
Be whatever but just don't ever be average just for love
Pop about my bad until my juvie on (my juvie on)
Pistol on my hip can't let him do me wrong (do me wrong)

Smoking out the zip that's what we usually on (we usually on)
The rarest shit you ever seen is like unicorn

Next level, I'm next level
Everything is next level
Just got another case
I just prayed it's not federal
Next level, I'm next level
Everything is next level
Just got another case
And I prayed it's not federal
Next level, I'm next level
Next level, I'm next level, yeah
Next level, I'm next level, yeah
Next level, I'm next level
To the top (to the top)
Next level (next level)
