We be gettin' money too  
All the packs we used to move  
All the pretty girls choosin'  
(A lil' somethin' for the players)  
I'm damn near living on a plane  
I could never leave the game  
Diamond rings and diamond chains  
(A lil' somethin' for the players)  
You lose a lot of friends  
When the commas coming in  
But I love my new Benz  
(A lil' somethin' for the players)  
Yeah, love the way we move  
Couldn't walk in these shoes  
Only win, we can't lose  
(A lil' somethin' for the players)
