

## On the Edge of a Dream

Bert Jansch

On The Edge Of A Dream  
Bert Jansch: vocal, acoustic guitar  
Bernard Butler: electric guitar  
Adam Jansch: bass guitar  
Makoto Sakamoto: drums  
Rock baby rock  
In your cradle serene  
Rock baby rock  
All is not what it seems  
You're living like a shadow  
On the edge of a dream

Rock baby rock  
Can you hear your mama cry  
Rock baby rock  
She's crying why, why, why  
She bears the pain and sorrow  
Be you dead or alive  
Rock baby rock  
Give it all that you've got

Rock baby rock  
It may not mean a lot  
Every second that you're living  
Will never ever be forgot  
Rock baby rock  
You gotta rock and roll

Rock and roll  
Is good for the soul  
Come in from the edge  
And let the good times roll  
Rock baby rock now  
In your cradle serene  
Rock baby rock  
All is not what it seems  
You're living life like a shadow  
On the edge of a dream
