

## Singing the Blues

Bert Jansch

I never felt more like singing the blues  
I never thought that I'd ever lose your love dear  
You got me singing the blues.

I never felt more like running away  
Now that you're gone, why should I stay without you  
You got me singing the blues.

The moon and stars no longer shine  
The dream has gone I thought was mine  
There's nothing left for me to do  
But cry baby over you.

I never felt more like crying all night  
' cause everything's wrong and nothing ain't right  
Without you  
You got me singing the blues.

The moon and stars no longer shine  
The dream has gone I thought was mine  
There ain't nothing left to do  
But cry baby over you.

I never felt more like singing the blues  
For I never thought that I'd ever lose your love dear
