

## Wishing Well

Bert Jansch

Wishing Well

Wishing Well  
Wilt thou water  
Hide my burden  
Until I return,  
Return this way again.

I will plant  
Red, red flowers  
Around your wall.  
When that wind  
Blows pebbles unto the water.

Wishing Well  
Wilt thou water  
Hide my burden  
Until I return,  
Return this way again.
