

Key Largo

Bertie Higgins

Wrapped around each other
Trying so hard to stay warm
That first cold winter together
Lying in each other's arms

Watching those old movies
Falling in love so desperately
Honey, I was your hero
And you were my leading lady

We had it all
Just like Bogie and Bacall
Starring in our own late, late show
Sailing away to Key Largo

Here's lookin' at you kid
Missing all the things we did
We can find it once again, I know
Just like they did in Key Largo

Honey, can't you remember
We played all the parts
That sweet scene of surrender
When you gave me your heart

Please say you will
Play it again
Cause I love you still
Baby this can't be the end

We had it all (we had it all)
Just like Bogie and Bacall

Sailing away to Key Largo

Here's lookin' at you kid (here's lookin' at you kid)
