

Regnum Satanus

Besatt

The aura of dead and gloomy purple
Golden insignia of all the power
The throne made from human flesh
Incantations written in runic order

Kneel down
Regnum Satanus
Pray aloud
Regnum Satanus

The pentagram is your symbol
The anticross is your destiny

The crown from black gold shines
Fresh and sticky blood in chalice
Heavy vapour flows slowly
The voice of prayer sounds ominously

Regnum Satanus
