If your man is nice and sweet Serving you lots of young pig meat Oh yes, keep it to yourself

If you know you are standing fast Got him worried where you at Oh yes, keep it to yourself

He don't fall for no one
He don't call for no one
He don't give nobody none of his L.O.V.E.
'Cause it's yours

If your man is full of action Givin' you lots of satisfaction Oh yes, keep it to yourself

If you gotta have a kiss and a sweet Makes me week way down in my knees Oh yes, keep it to yourself

If he tries to treat you right Give him lovin' every night Oh yes, keep it to yourself

He don't fall for no one
He don't call for no one
He don't give nobody none of his L.O.V.E.
'Cause it's yours

With your man you got the best go Don't broadcast it on nobody's radio! Oh yes, keep it to yourself
