Walking away
Talking all day
Uh, I want you
Uh, I want you

Walking away
Talking all day
Uh, I want you
Uh, I want you

But there is something about the summer There is something about the summer There is something about the summer

Walking away
Talking all day
I can't stand this
I can't stand this

Walking away
Talking all day
I can't stand this
I can't stand this

But there is something about the summer There is something about the summer Something about the summer Something about the summer

That makes me mooooooooody
That makes me mooooooooody
That makes me mooooooooody
That makes me mooooooooody
