

Morbid Chainsaw Extermination

Bestial Mockery

War, the final solution
Death is hungry this night
Hate, blacker than ever
With the Horsemen we fight

The final blow
We strike you out
Hell suffering
We taught you right

Total Annihilation
Morbid Chainsaw Extermination

Hell, the gates are open
Behold Satan's revenge
Black, the legions of war
That are slaughtering the souls of light

The final blow
We strike you out
Hell suffering
We taught you right

Total Annihilation
Morbid Chainsaw Extermination
