

Hello Lovely

Beta Radio

I wrote a poem for you
You didn't have to ask me to
I wanted to because I feel
I wrote a poem for you
You didn't have to ask me to
I wanted to because I feel
Nothing else could be as real

L-O-V-E
Hello lovely

I built a home for you
By the garden that I knew
You love more than anything
I lay down my life again

L-O-V-E
Hello lovely
