

Unaffected

Betcha

(Need me to scream?)

Look at those eyes
Blue as the sky
Making me cry from it
All of the time stuck in my mind
Can't even hide from ya
Was so unprepared for it
Starting to care for ya
Making me late everyday
Think I might die from it

Got me out of line
Now I'm falling over
Caught up in your tide
Getting tossed out in the waves
Waiting every night
Til you call me over (over)

Wish I was unaffected by you
Oooh
And all of the ways you move baby
Oooh
I don't know what to do about it
Wish I was unaffected by you
Oooh
Ooh oooh

Look my heart breaking apart
Somebody call me a doctor
Gotta restart all of my art
Turning my head to copter
I'm losing my hair from it
But I'm aware of it
Touch of the skin pulling me in
Know that I'm not gonna stop ya
Was locked up in a home
You burned it down
I don't know where to go
But you're calling out
I'm tryna stay afloat
But I'm gonna drown

Wish I was unaffected by you
Oooh
And all of the ways you move baby
Oooh
I don't know what to do about it
Oooh
Wish I was unaffected by you
Oooh
Ooh oooh

High low where do we go
Yes no show me the road
I'm so out of control
Out of control out of control

High low where do we go
Yes no show me the road
I'm so out of control
Out of control out of control

Wish I was unaffected by you
Ooh
And all of the ways you move baby
Ooh
I don't know what to do about it
Ooh
Wish I was unaffected by you
Ooh
Ooh ooh
